Faculty workshop held

CHENNAI: Around 45 teachers and academics attended a two-day national-level faculty development programme (winter school) organised by the Sri Sairam Institute of Management Studies, last week.

The seminar was attended by Kamalanabhan T.J., head of management studies, IIT-Madras, G. Rajendran from Anna University and R. Pannerselvam from Pondicherry University, among others.

During a seminar, 'engineering and management teaching strategies for excellence', themes such as interdisciplinary learning, methods of sustaining student attention, and student-centric educational approaches were discussed.
