Founder Chairman
Sairam Group of Institutions

You are the one to limit your greatness! Everyone wants to achieve a certain sense of momentum in life which would be helping you in living a life of your dreams! The kind of education acquired in your own "Sairam Campus" is a tool, now thrusting you towards success and happiness. Always remember that life is of colossal opportunities. Still strive hard to serve your fellow men bigger and better.

CEO's Message

Greetings! Tech - Savvy environment afloats friendship to the highest level and you share and shine.

Even then, there is no parallel feeling to home coming. We are extremely elated to embrace each one of you for being the pride of our prestigious institution, which upholds the vision of our Founder Chairman, MJF. Ln. Leo Muthu and the people's leader, Shri. APJ.

Abdul Kalam. Today the institution marches ahead sighting global standards means each one of your belongingness is the reason. When we honestly ask ourselves which person in

our lives mean the most to us, we often find that it is those who, instead of giving advice, solutions or cures, have chosen rather to share our pain and touch our wounds with a warm and tender hand. The friend who can be silent with us in a moment of confusion, who can stay with us in a moment of despair, who can stay with us in an hour of grief bereavements, who can tolerate not knowing, not curing, not healing and face with us the reality of our powerlessness, that is a friend who cares. 'Friend' is the positive and the most

powerful word. This reunion shall open new vistas of life in your campus which united you all, always will keep you all united.

No doubt I made the best choice of my career; Sairam is one among those unique institutions which helps students in not only building their career but also enhances distinctive competencies and skillsets that help students grow their professional life in an exponential pace. For me, life at Sairam has been breathtaking and enriching. The environment not only helped me in imbibing knowledge but also in developing my overall personality, fueling confidence in me. My sincere thanks to all the Faculty members, mentors and everyone in Sairam for their support and altruism. They have played a very crucial role in shaping me and have proved me right, in selecting Sairam over other colleges for my MBA. I'm carrying along with me beautiful memories of this place and will always cherish them.

The ecosystem nurtured by the faculties of SIMS, comprising professors with wide industry experience, has been a key factor enabling factor for the under graduates to enrich their knowledge not only in paper but also in practice.

The series of competitive events organised by the institution in coordination with the Management Associations like MMA, helped us to test the gained knowledge on ground, thereby completing the learning circle.
