Chairman's Message

Greetings! Tech - Savvy environment afloats friendship to the highest level and you share and shine. Even then, there is no parallel feeling to home coming. We are extremely elated to embrace each one of you for being the pride of our prestigious institution, which upholds the vision of our Founder Chairman, MJF. Ln. Leo Muthu and the people's leader, Shri. APJ. Abdul Kalam. Today the institution marches ahead sighting global standards means each one of your belongingness is the reason. When we honestly ask ourselves which person in our lives mean the most to us, we often find that it is those who, instead of giving advice, solutions or cures, have chosen rather to share our pain and touch our wounds with a warm and tender hand. The friend who can be silent with us in a moment of confusion, who can stay with us in a moment of despair, who can stay with us in an hour of grief bereavements, who can tolerate not knowing, not curing, not healing and face with us the reality of our powerlessness, that is a friend who cares. 'Friend' is the positive and the most powerful word. This reunion shall open new vistas of life in your campus which united you all, always will keep you all united.

Alumni Success Stories

Amirtha Ansa Jayaraj

2021-2023 batch

My experience at Sri Sai Ram Institute of Management Studies, Sri Sai Ram Engineering College was transformative. The rigorous academic curriculum and practical hands-on learning opportunity prepared me exceptionally well for the challenges of the business world. The faculties' expertise and dedication were instrumental in shaping my career. Along with focusing on the core academics aspects, the students are also trained for placement activities, wherein students learn how to approach an interview and how to perform high on the tests conducted by companies for shortlisting and selecting the right candidates. Apart academics, students perform various extra-curricular activities conducted by colleges and they are also encouraged to participate in sports. Overall, the college is a great uplifter for our careers. I am proud to be an alumnus of our college and highly recommend the MBA programme to aspiring business leaders.

SUDHARSAN, MBA 2016

Team Lead, Ford Motor Private Limited

I am very proud to say that I was part of Sairam Group. Behind every successful student there is an unsung hero (Sairam Institutions). It is rightly said because behind my success Sairam has always been a part. It is a place where a student is carved and molded, as a sculptor carves a stone. I take immense pleasure in thanking Sairam institutions and greet them to continue the service to student community.

Wow..! My college days are unforgettable and in fact those days are happy days in my life. I enjoyed myself a lot when I was in Sri Sairam Institute of Management Studies. I have learned a lot from my professors. They used to be very friendly with us. We used to have competitions. No matter whether we win the competition or not, but they used to tell us participation is very important. They were very supportive and encouraged us in all things to grow up in our lives. We used to crack jokes on others. So, college life is so beautiful, nobody can forget those. In my College where you grow and gain ultimate experience for your career and life.

SARATH RAVIKUMAR (Batch 2017)

Co-Founder - Webboombaa

Today, if you look out for one of the best digital marketing company in Chennai, you can observe Webboombaa being displayed among top companies. Even though our Sairam faculties have not been with Webboombaa's throughout the journey, it is only because of them we have made Webboombaa reach great heights in such a short span of 2 years. Schooling in SIMS (Sairam Institute of Management Studies) helped me get better clarity on the business world because of the various Entrepreneurship Development Programs conducted by SIMS for the betterment of the students. Dr. Maran, along with the other faculties guided me through the right path, leading me to co-found Webboombaa along with my SIMS mates Mr. DuraiRaju and Mr. Varun Kumar. Dr. Maran helped me through my journey to make me reach greater heights. With Dr. Maran's insights, I approached my SIMS mates with this business idea, and since they were also inspired by Dr. Maran and SIMS, they joined hands with me in starting Webboombaa. Yeah, we three are proud SIMS product. I personally feel that if not for Dr. Maran and other faculties in SIMS, Webboombaa wouldn't have existed. So, I would like to dedicate Webboombaa's victory to Sairam Institute of Management Studies.
