ABOUT US

SIMS was established with the motto of “ Prosperity through Innovative management” by the founder Chairman Shri.M.J.F.Ln.Leo Muthu. Institute offers post graduate programme leading to the award of MBA degree .The department is well equipped with all modern facilities such as syndicate room, seminar hall, computer centre, department library, audio & video facilities and a central library with latest books, national and international journals. The highlights of the institute is that it was rated with prestigious AAA status by the Career 360 during 2018, and also categorized as A++ Grade institution by Business India, A3 rated B school by AIMA, Platinum category for the past 4 years by AICTE-CII survey, Business today India's best B school survey rated among Top 150 b schools, and Business standard rates our Institution with A4 category, career 360 magazine has rated SIMS as one of the Top 100 B- schools in India for 2019.The Institute has been ranked one of the top among 100 by the Times B school Survey 2021.We engage our students in various societal development activities to provide them the overall exposure to world of business and management by regularly organizing National level seminars, International conferences, Conduct workshops and International Student Exchange programs. We also arrange faculty development programs and Workshops sponsored by AICTE and leading well known management associations.

ABOUT MDP

The current corporate needs an effective leader who acts as an catalyst for change and emblem of organizational growth in today's competitive and volatile environment. The unique leadership tactics of this program inspire new ways of thinking, enable cultural change behaviour, and build a coaching mindset that prepares individuals to give new meaning to the term Organizational Success. MDP provides participants with an opportunity to enhance existing skills and gain updated ones as well. As an added advantage, the participants in the program shall build relationships with other experts in their domain.

The programme is designed to have open knowledge sharing with interactions coupled with discussions and is expected to have out of the box thinking, effective problem approach and sorting techniques that brings out profitable decisions for their business. The programme aims at developing leadership qualities with innovation to achieve their personal and organization goals.
