M.J.F. Ln. LEO MUTHU

Founder Chairman
Sairam Group of Institutions

You are the one to limit your greatness! Everyone wants to achieve a certain sense of momentum in life which would be helping you in living a life of your dreams! The kind of education acquired in your own "Sairam Campus" is a tool, now thrusting you towards success and happiness. Always remember that life is of colossal opportunities. Still strive hard to serve your fellow men bigger and better.

Chairman's Message

Greetings!

Tech - Savvy environment afloats friendship to the highest level and you share and shine. Even then, there is no parallel feeling to home coming. We are extremely elated to embrace each one of you for being the pride of our prestigious institution, which upholds the vision of our Founder Chairman, MJF. Ln. Leo Muthu and the people's leader, Shri. APJ. Abdul Kalam. Today the institution marches ahead sighting global standards means each one of your belongingness is the reason. When we honestly ask ourselves which person in our lives mean the most to us, we often find that it is those who, instead of giving advice, solutions or cures, have chosen rather to share our pain and touch our wounds with a warm and tender hand. The friend who can be silent with us in a moment of confusion, who can stay with us in a moment of despair, who can stay with us in an hour of grief bereavements, who can tolerate not knowing, not curing, not healing and face with us the reality of our powerlessness, that is a friend who cares. 'Friend' is the positive and the most powerful word. This reunion shall open new vistas of life in your campus which united you all, always will keep you all united.
