ABOUT SIMS

Sri Sairam Institute of Management Studies (SIMS) was established in 1998 by Shri MJF Ln. Leo Muthu with the motto "Prosperity through Innovative Management". One of the top B-Schools in Tamil Nadu, an autonomous institution affiliated to Anna University and offers MBA degree. Approved by AICTE and Government of Tamil Nadu and NAAC 'A+' accredited.

SIMS has been participating in NIRF rankings for the past four years and has been awarded Platinum status in the AICTE-CII survey for seven consecutive years. We have got over 100 university ranks and two gold medals. We have modern facilities like syndicate rooms, seminar halls, computer center and libraries with national and international journals.

Ranked among the top B-Schools by surveys like Business Standard, Times B-School, Business Today and Career 360, SIMS has academic collaborations with international institutions like University of Malaya, Management Science University, University of Jaffna, Universiti Teknologi Petronas. We have signed MOU with Notre Dame de Namur University, California and Zoho for curriculum enrichment.

Apart from academic excellence, SIMS focuses on overall student development through national seminars, international conferences, workshops and exchange programmes. Faculty members participate in global events and we have three peer reviewed management journals.

PROGRAMME OVERVIEW

In today's rapidly evolving educational landscape, traditional teaching methods alone may not suffice to fully engage the modern learner. The Faculty Development Programme (FDP) on Innovative Teaching Pedagogy for Effective Classroom Management is designed to help educators develop a modern, technology-integrated teaching approach. This FDP will introduce a variety of digital tools and methodologies aimed at enhancing classroom management, promoting student engagement, and improving overall learning outcomes.

Participants will gain hands-on experience with the latest teaching tools and strategies, as well as insights into how to manage both online and hybrid classrooms effectively.

TARGET AUDIENCE

Faculty of Commerce, Management, Economics, Psychology, Engineering and from any other academic field.

PROGRAM OBJECTIVES

Ÿ   Equip faculty with innovative tools and methods to create more engaging and interactive learning environments.
Ÿ   Introduce effective use of technology for better classroom management in both physical and virtual settings.
Ÿ   Enhance student engagement and learning outcomes through interactive and multimedia teaching techniques.
Ÿ   Train faculty to manage online and hybrid classrooms, incorporating digital assessments and feedback.
Ÿ   Familiarize participants with emerging education technologies like AI, VR, and predictive analytics for Future-ready Teaching.

KEY TAKEAWAYS

Ÿ Hands-on experience with leading digital teaching tools.

Ÿ Best practices for creating engaging and interactive classroom experiences.

Ÿ Strategies for managing both traditional and hybrid classrooms effectively.

Ÿ Insights into emerging trends and technologies in education, preparing educators for the future.
